WHAT IS FIRST PRIORITY?

1984 Equal Access Act passed by the Federal government, under President Ronald Reagan's persistence, gives students the right to initiate and lead a Christian club on campus. FP provides these students with the HOPE strategy and resources they need to conduct their student led clubs. The success of First Priority begins and ends with the local church. The students, youth pastors, & faculty sponsors that partner with us all belong to a local congregation.

WHY FIRST PRIORITY?

There are over 18,000 students within 30 minutes of Hattiesburg. Statistics show that over 90% of these teens do not know Christ, which demonstrates the urgent need for us to meet them where they are-the campus. A majority of Christians state that their decision to follow Christ was made by age 18. We could be only one generation away from catastrophic faith abandonment if we do not equip students to fulfill the Great Commission. That is why since 1999, First Priority has been so passionate about connecting the CHURCH to reach the CAMPUS for CHRIST.

WHERE IS FIRST PRIORITY?

We have over 50 area schools chartered across seven counties here in South Mississippi. Over 3,000 students a week attend a local FP club. We have partnered with over 100 churches. To reach every student on every public middle and high school campus in South Mississippi with the Gospel... this is our First Priority.
